

CHAPTER 10

THE JEWISH-CONTROLLED MEDIA

The concept of controlling the media is not simply to censor the news the Rothschilds don't want you to hear, it becomes the greatest educational tool to condition and program the public by emphasizing what news is important and what is not. As previously mentioned, in Israel, it is against the law for a non-Jew to own any media, however, the Jews see no problem with them owning the majority of the rest of the world's media. *Encyclopaedia Judaica*, in its entry "Motion Pictures," (p. 449) declared, "Thus all the large Hollywood companies, with the exception of United Artists ... were founded and controlled by Jews."

In 1912, Jew Carl Laemmle founded Universal Pictures, while Jew Adolph Zukor founded Paramount Pictures. Joel Stein, a Jewish columnist for the *Los Angeles Times* newspaper and contributor to *Time* magazine, arrogantly bragged: "Jews totally run Hollywood," and Americans who think Jews do not control Hollywood and the media are just plain dumb. "As a proud Jew, I want America to know about our accomplishments. Yes, we control Hollywood. Without us, you'd be flipping between 'The 700 Club' and 'Davey and Goliath' on TV all day," wrote Stein. He went on to list Hollywood's media chieftains—all Jews to prove his point. Jew Neal Gabler wrote a book, *An Empire of Their Own: How the Jews Invented Hollywood*, in which he demonstrated the Jewish influence in programming American minds to embrace their Zionist agenda. "We are owned by the propagandists against the Arabs. There's no question about that. Congress, the White House and Hollywood, Wall Street, are owned by the Zionists. No question in my opinion. They put their money where their mouth is," concluded veteran news reporter Helen Thomas, after covering 50 years and 10 presidents from JFK to Obama. To expose their typical Jewish bullying tactics, one day after making this

"When you control opinion, as corporate America controls opinion in the United States by owning the media, you can make the masses believe almost anything you want, and guide them as you please."

Gore Vidal

"The real menace of our Republic is the invisible government, which like a giant octopus sprawls its slimy legs over our cities, states, and nation."

remark, the ADL called all organizations who ever honored the 90-year-old Thomas with an award for her 70-year-long career in journalism to rescind it, because they claimed she was anti-Semitic.

Famous actor Marlon Brando once stated: *"The Jews control Hollywood and use it to promote their own agenda."* Jew Nathanael Kapner, who converted to Christianity, warned Americans we can no longer trust our local newspaper because *"Most local newspapers are owned by companies controlled by Zionists whose offices are hundreds of miles away."* He explained how the Jewish Newhouse brothers own at least 40 local newspapers in the U.S., along with many popular magazines.
